Re: Winter 2020 Season

After consultation with the representatives of our member schools, ROPSSAA has come to the difficult decision to formally cancel all activities for the Winter season.

The Association will continue to plan for future activities but will move forward only on the direction of the representatives of the member schools and the guidelines laid out by Peel Health. A return to play will only be considered once the safety and health of the student-athletes, coaches, officials, and the community can be assured.

Thank you.
