Note: Teams who have forfeited/defaulted games are excluded from the tie breaker

(c) Ties in League Standings between 3 or more teams

7. RULES AND OFFICIALS

- (a) The current Ontario Baseball Rules will be in effect with the following exceptions/additions:
 - (i) All pitchers will be subject to a pitch count with the following rules:
 - 1. *Pitchers shall be limited to the number of pitches thrown in a single day as outlined below. Pitchers are required to rest in accordance with the chart below as determined by the total number of pitches thrown on any one calendar day:*

<i>Number of pitches thrown</i>	<i>Rest Required</i>
<i>1-40</i>	<i>None</i>
<i>41-55</i>	<i>1 day</i>
<i>56-70</i>	<i>2 days</i>
<i>71-85</i>	<i>3 days</i>
<i>86-105</i>	<i>4 days</i>
<i>105</i>	<i>Daily Maximum</i>

2. *For the purpose of calculating days of rest required, the day after the game day is considered Day 1 of the rest period.*
3. *Intentional walks and balks shall count toward the pitcher's pitch count total if a pitch is thrown.*
4. *Players are permitted to pitch in 2 separate games in the same day as long as they do not exceed 40 pitches in the first game of the day. No player is permitted to pitch in more than 2 games per day regardless of the number of pitches thrown.*
5. *No player may pitch on three consecutive days unless their total pitch count for the three days does not exceed **40 pitches**.*
6. *Once removed from the pitching position, a player may not catch the remainder of the day.*
7. *Pitchers will be permitted to complete the at-bat of the batter they are facing when their Daily Maximum pitch limit has been reached for that calendar day but must be removed immediately after (i) the batter is retired, or (ii) the batter becomes a runner, or (iii) the third out of the inning is made.*
8. *The scorekeepers/pitch counter for both teams shall keep an official pitch count recorder which will be shared after the completion of each inning.*
9. *The scorekeepers/pitch counter for both teams must provide the current pitch count for any pitcher when requested by either coach or the umpire.*
10. *The score keepers/pitch count recorder shall inform the home plate umpire when a pitcher has delivered his/her limit of pitches for the game. The home plate umpire will then notify the pitcher's manager that the pitcher must be removed.*

Note: It is the responsibility of the coach to remove the pitcher when that pitcher is no longer eligible, even if the pitch count recorder and/or the umpire fail to notify the manager.

11. *Illegal pitching penalty; where a player throws more pitches that is permitted under; or pitches without the rest required; or pitches on 3 consecutive days in violation or pitches in the same game in violation the penalty shall be forfeiture by the player's team. A second violation by a team will result in the head coach's indefinite suspension.*

- (ii) Designated runner must be used for the catcher with 2 out - the runner will be the player who made the 2nd out.
- (iii) Designated hitter (DH) may be used for any player.
- (iv) *Teams in Tier 2 and Tier 3 may use an Extra Hitter (EH). Tier 1 teams are not permitted to use the EH.*

The EH may be placed on the lineup card (a 10th hitter which can be placed anywhere in the batting order) as a way to get more athletes at-bats throughout the game. This rule is optional for both teams prior to each game and does not have to be used by both teams during a game. The EH must be marked on the lineup card at the start of the game and must be used for the entire game. The EH may be interchanged with any other position during the game and can be changed multiple times. For example, the SS could become the EH and the EH become the SS.

In the event that a player is injured and the team has no eligible substitutes available, Re-entry Rule would apply and the team would continue to bat ten players. If the team had no other players available for selection OR in the event of an ejection, the game would proceed with 9 players, without forfeit. A player removed due to injury or ejection in this circumstance is not permitted to return to the game. Any further loss of players would result in a forfeit.

- (v) Substitution may occur. Individuals may return to the game at any point to their original position in the batting order. Once a substitute leaves the game they may not return.

i.e. If 'B' substitutes for 'A', 'A' can only come back in for 'B' and 'B' may not return or if 'B' comes in for 'A' and 'C' comes in for 'B' neither 'A' or 'B' may return.

- (b) (i) In the regular season, games will be 7 innings. Coaches of both teams must ensure that the umpire announces the time of the first pitch so the game is timed properly. In the regular season no new inning to start after the 2 hour time period. Where a regular season game is shortened by weather a full game will be 4,5,6, or 7 innings. If a game is shortened by weather, the score shall revert to the end of the last complete inning unless 4 innings have not been completed in which case the game will be replayed. Ties in league games will stand.

Note: The Athletic Convenor may shorten the time limit as required. Coaches will be notified as soon as possible should a shorter time limit be implemented.

- (ii) In the playoffs, games will be 7 innings. In the case of a tie, extra innings will be played until a winner is declared. Where a playoff game is shortened by weather the game will be replayed should less than 4 innings be played or it will be completed from the point of stoppage should 4 or more innings be played.
- (c) In all regular season and playoff games the OBA mercy rule is in effect. 10 runs after 5 innings, 15 runs after 4 innings or 18 runs after 3 innings.
