7. RULES AND OFFICIALS

- (a) Intercollegiate rules for the current year shall be in effect with the following modifications.
 - (i) All games to consist of two 24 minute halves (12 minute quarters). In the first 21 minutes of a half the clock stops when:
 - points are scored
 - the ball goes out of bounds
 - a forward pass is incomplete
 - the ball is dead and a penalty flag has been thrown
 - the ball is dead and teams are making substitutions (eg: possession has changed, punting situation, short yardage situation)
 - the ball is dead and a player is injured, or
 - the ball is dead and a caption calls a time-out

The clock starts again on the snap of the ball.

In the last three minutes of a half, the clock stops whenever the ball becomes dead. On kickoffs, the clock starts when the ball is first touched after the kick. On scrimmages, when it starts depends on what ended the previous play. The clock starts when the ball is ready for scrimmage except that it starts on the snap when on the previous play:

- the ball was kicked off,
- the ball was punted,
- the ball changed possession,
- the ball when out of bounds,
- there were points scored,
- there was an incomplete forward pass,
- there was a penalty applied (not declined), or
- there was a team time-out,

The clock does not run during convert attempts in the last three minutes of a half. If the 12 minutes of a quarter expire while the ball is live, the quarter is extended until the ball becomes dead. If a quarter's time expires while the ball is dead, the quarter is extended for one more scrimmage. A quarter cannot end while a penalty is pending; after the penalty yardage is applied, the quarter is extended one scrimmage. Note that the non-penalized team has the option to decline any penalty it considers disadvantageous, so a losing team cannot indefinitely prolong a game by repeatedly committing penalties.

- (ii) Concede Rule
At half or at the end of the third quarter, coaches may agree to concede the game if the point differential is 28 points or more. The score will stand at the moment the two teams agree to concede. The game will be normally timed (as indicated in 7(a)(i)) in the second half and the "losing" team cannot win.
- (iii) There will be a ten (10) minute break at half-time and between games.
- (iv) Each team gets two time outs per half. The time out maybe called by the coach on the sideline.
- (v) The league will operate with:
 - 1) The three down system (for 10 yards)

 - (i) Any place in the ROPSSAA and Football Canada Rule Book where the term '12 players' is used, substitute the term '9 players'.
 - (ii) The field width is only 55 yards wide and should be marked with an appropriate sideline.
 - (iii) Kickoffs are used to start the game and second half only.
 - (iv) At the instant the ball is put into play, at least 5 players of the offensive team must be on the line of scrimmage.
 - (v) After TD's and conversions, there will not be a kickoff, but the team that was scored on, takes possession on their own 35 yard line.
